The material in this first published volume of Defiance County Marriage Records was taken directly from the small Volume One of the Defiance County Marriage Record Books located at the Defiance County Records Center. Mistakes may occur due to typing errors or misinterpretation of writing on older records when these were typed. The Defiance County Probate Court's first recorded marriage was on 12 June 1845. The older records all have been stored in the Defiance County Records Center which is the Defiance County Archives. Any marriages that occurred before 1845 would be in Williams County Records which is the parent county for Defiance County. Please keep in mind that this is a guide in locating the marriage records for Defiance County. More information may occur on the marriage record in the book. If you would like to request a copy of the certificate, write to the Defiance County Records Center 510 Court Street Defiance, Ohio 43512 or telephone (419) 782-8918. Indicate whether you want a certified copy or an uncertified copy. The cost will be whatever is currently set by the State of Ohio. The publication of these records would not be possible without volunteers Bill Moore, Bev Hohenberger and Arnie Loeffler, past and present members of the Defiance County Genealogical Society. We are all very grateful to have dedicated volunteers working on projects for our society.
